NEWSFLASH NO 10 OF 2011

PACIFIC ZONE CHAMPIONSHIPS: VEREENIGING: 2011

Dear BPSU members

As mentioned in newsflash 9, the Pacific Zone Championships will be shot concurrently at the Short Range Nationals in Vereeniging.

We have just received confirmation that the USA will be the host of this postal event. Members must please understand that this is an international event. Those who have qualified, or intend to still qualify will however have to make use of either WANO or SWISS black powder during their participation as set in the MLAIC rules.

All other participants may use SANNADEX during the match unless AEL succeeded in landing the ordered powder beforehand.

All club chairpersons must please forward all Pacific Zone qualifying scores to the Secretary and me by no later than 1 July 2011 for scrutiny and administrative purposes. These results must please be accompanied by a certificate from each chairperson stating clearly that the qualification procedures were followed as prescribed. All qualifying targets must accompany the participant to the Nationals and must be surrendered to us upon registration. The non-availability of qualifying targets will disqualify the shooter to participate in the Zone event.

Kind regards
