NEWSFLASH NO 11 OF 2012

Dear BPSU members

A few final arrangements for the **BPSU Rifle and Handgun Nationals**. If you have not entered yet, please do so without delay – the organisers need to finalise the number of targets, etc.

This will take place on the Durbanville Shooting range (33°48'01.85"S, 18°41'20.41"E). If you come from Durbanville city centre via Wellington Road onto the Klipheuwel Road, there are some roadworks on the way to the range, so don't cut your time too short ... delays can be up to 30 minutes.

EVERYONE, including spectators, must sign the book and get a sticker in the office on the range – Friday and Saturday.

On Friday, we will start shooting at 13:00 – please enter from 12:00. We will only do the 200m details on Friday. Reggie will have hamburgers / boere(wilds)wors rolls, biltong, droëwors, etc for sale throughout the afternoon and the bar will open as soon as we are done shooting.

Friday evening at 18:00 we will have the spitbraai on the range ... come and join us for only R130, even if you are not shooting on Friday. That will give you the opportunity to enter / register for Saturday's shoot, saving you time on Saturday morning.

On Saturday morning we will start with the 50m details, starting with the Hawken events, and then Free and Military Rifle. Please enter / register from 07:00 onwards, as we need to start early to fit in all the details. There will be a total of 4 x 50m details of 30 minutes each and the changeover will be as quick as the guys can replace the old targets with new ones, followed by 5 x 100m details. The first 100m detail will be Free Rifle – you can fill up the other details

with whatever other detail you want to shoot. Please mark your target clearly with your name and the event you are shooting.

Next door on the handgun range, there will be 3 x 25m details – see your own program when to fit in the handgun details you want to shoot – we will have until about 11:00 to do all the 25m events. The Donald Malson (50m revolver) will not be shot on the handgun range, but on the main range with the other 50m details – you can join any of the 50m details for this.
