MLAIC WORLD LONG RANGE CHAMPIONSHIPS: SOUTH AFRICA 2013

Dear BPSU members

As you all know by now, South Africa will be hosting the 9th MLAIC World Long Range Championships in 2013.

We obviously want to select the strongest possible team to continue our reign as world long range champions. We won this title in Cape Town in 2007, then successfully defended it in 2009 in Camp Butner, USA, and again in 2011 Bisley, UK.

All members who intend to qualify for this team must please forward their names to the secretary, Corena de Beer, who in turn will forward the information to the coach / captain of the long range team. We need your response not later than **31 May 2012**, as further communication on this matter will only be directed to the prospective participants.

Qualifying criteria and the qualification process remain unchanged from previous years. The period for qualification will run until end of March 2013. Thereafter, dedicated team practices will be arranged to allow the coach(es) to get to know the individual shooters and their equipment. The qualifying score for long range is a minimum of 40/50 over 5 distances (300m – 900m). This can be shot at any league, BPSU sanctioned provincial competition, or the BPSU nationals.

Provinces and representatives must please remember to submit the long range scores from January 2012 to the secretary to keep a proper database.

Kind regards
