NEWSFLASH NO 10 OF 2013

Dear BPSU members

We are experiencing regular problems with dedicated status certificates going missing between SABU and the BPSU applicants.

From time to time we also receive applications for duplicate certificates to be issued as members misplaced the originals.

We have now implemented a procedure where all issued dedicated sportsman certificates would be mailed by registered mail to our Secretary. This procedure would ensure:

- Proper control over certificates ensuring that our members receive what they apply for; and
- Duplication of certificates (PDF format) on our side to assist members when certificates are lost whilst under the control of the members.

This procedure however has a serious financial impact on our limited funds. Whilst applications for dedicated sportsman certificates are a once off occurrence (except for applications for duplicates) a limited administration fee are now required to cover registered mail costs and scanning.

Future applications should please be accompanied by a once off payment of R60-00 into the BPSU account with proper notification of such payment to the Treasurer / Secretary to ensure that your application is processed.

Kind regards
