Well done to our members that went through the trouble to qualify for this event. Some good scores came out, but it is also clear that we will have to up our standards if we want to achieve positive results in Granada.

I have monitored the club scores of our members and know that we indeed have the ability to perform well in Granada. Please let us really get down to it and focus on bettering our scores.

Again I request the Club Chairpersons to inform Corena and me of the names and events your members wish to qualify on for Granada.

Kind regards
