## NEWSFLASH NO 11 OF 2016 27TH MLAIC WORLD CHAMPIONSHIPS AT THE SARLÓSPUSZTA

Dear BPSU members

For 10 consecutive years now the BPSU has succeeded to enter a Protea Team for World Championship events. Apart from that we have also succeeded to participate in every Postal event. This says something about the dedication of the members of the BPSU.

For all these years the BPSU Protea Teams returned to our country making us very proud. Their presence on the World Radar of the Shooting Sport, Short- and Long Range events caused other participating teams to take note of the South Africans.

As communicated in Newsflash 10 of 2016, our selected team of Jacques Jansen van Vuuren, Jean-Pierre Pellissier (Junior), Gustav Meyer (Junior), Chris van Gaalen, Pieter Truter and Corena de Beer, our team Captain, are all ready to depart on Womansday 9 August 2016 to meet the challenges presented to them. Three of them being new caps and the other three being experienced Protea shooters that previously tasted the ability of the rest of the World. Not for one moment do we have to doubt our team's ability to live up to the challenge.

Let us, who are not travelling with them, make use of the opportunity the public holiday presents to us, to be present at their departure and wish them well (see departure- and proposed support times on Newsflash 10 of 2016).

The team knows what is expected of them notwithstanding any strange challenge they may encounter in Hungary. Go make us proud and let the South African BPSU history live on; a history where we have always returned from such events with several awards. Most of all, go out there and enjoy the shooting as you would every time you shoot on your home range.

Kind regards
