BPSU NEWSLASH 5 OF 2019 Pacific Zone 2019 Results

Dear BPSU members

I am extremely happy and proud to share the 2019 Pacific Zone results with you. For the first time in many years, we entered 3 individual shotgun shooters and a shotgun team and they really did well. Congratulations to Grant Gammon and Eddie Knödl who attained BPSU colours for the first time for this event!

The handgun and rifle shooters were more or less the usual suspect, except for Greg van Schaik who was awarded BPSU colours for his first time participating in an official international event. Congratulations Greg, I am sure we are going to see you in a Protea blazer very soon!

Further down you will find the events that the South Africans participated in. Full results will be posted on the BPSU website:

Rifle and handgun group: Jacques, Chris, Marx, Pieter, Corena & Greg

Silver medallists for Batesville Team Match at the 2019 Pacific Zone - Grant, Robbie and Eddie

Gold medallists for the Rigby Team Match at the 2019 Pacific Zone. The same team won the silver medal for the Pforzheim Team Match – Chris, Pieter & Corena

Greg receiving his BPSU Badge – congratulations Greg!

No shoot is possible without competent range officers, often members who sacrifice their own participation to take care of everything and everybody. Thank you to Johan de Beer who managed the rifle and handgun ranges and Paul Vimercati for taking care of the Shotgun range.

Congratulations to all, especially the first time BPSU colours recipients – Greg van Schaik, Grant Gammon and Eddie Knödl. The next challenge is full Protea colours and I am confident that you will have no problem at all attaining that!

A special congratulations to Marx Meyer for breaking the Jun Pacific Zone record once again! Simon van Gaalen broke Marx's previous record during the Short-Range MLAIC World Championships in Austria last year and now Marx took it back again 😊.

Remember, there will be another Pacific Zone Championship in 2020 – so, anyone who is interested in participating, please contact me and start qualifying as soon as possible.

Kind regards
