WE OFFER:

1. A shooting Club dedicated to black powder shooting with a 29 year history.
2. Rifles, muskets, revolvers and dueling pistols catered for.
3. A bi-monthly club day with programmes for trophies and medals.
4. For novices, friendly and helpful advice to get you going including advice on firearm selection and purchases.
5. A pub and grub set up in our Club House for after the shoot socializing.
6. The shooting complex, rifle, pistol and Club House is located on private land resulting in security of tenure (we have been there for 25 years) careful screening of visitors and security equipment.
7. Because of the above, the Club pays no rent and fees are kept to a minimum to simply cover bare costs.
8. Our shooting programme is based on twice monthly shoots and participation in and assisting in the organization of Provincial. National and International matches.

WE INVITE:

Anyone interested in the shooting, collection, preservation and study of antique and classic firearms.

We welcome anyone with an inclination to participate in a fascinating and fulfilling sport. If on the other hand you have no intentions of serious target shooting but just want to talk about guns and associated history and the fascinating hobby of **collecting**, come and join us.
